

Dear Mayor Daley,

I have a few ideas for you on how to make our City of Chicago a better place to live. My first idea is to stop gang violence. Another idea is change the schools. My last idea for you is fixing the streets.

There are many reasons why gang violence is important to stop. People are getting hurt. My second reason is that we cannot play safely outside. Let me explain why I also think fixing the street is important. People wouldn't have to trip in the holes on the streets. My second reason is that our parents wouldn't have to drive bumpy roads.

I hope that you can listen to my ideas and that they are helpful.

Sincerely,
