Dear Mayor Daley,

I have a few ideas for you on how to make our city of Chicago a better place to live. My first idea is to change schools. My last idea for you is no more gang violence.

It is amazing to think about changing school. Have you ever seen a school with recess? I would like to have recess in my school. I also think its important to give supplies to teachers so they can have what they need.

You'd better believe that gang violence is killing people. The gang are shooting at houses and buildings. I hate when I can not play out side because there are gang banger, and my mom won't let me play out side.

Thank you for reading my letter I really hope you change some of these things.

Sincerely
