Dear Mayor Daley

I have a few ideas for you on how to make our city of Chicago a better place to live. My first idea is to recycle. Another idea is to stop the gang violence. My last idea for you is to change schools. Let me tell you why recycling is important. Keeping our city clean and green is good. Let me explain why violence has to end. Did you know innocent people are getting hurt for no reason. Gangsters have no right to kill people. You'd better believe that school needs to change. We need windows, supplies like paper, computers, we should also start earlier and end at 4:00. I hope that you can listen to my ideas and that they are helpful to you.

Sincerely,
