Dear Mayor Daley,

I will explain one Reason to make our city nice and Peaceful.

Now police Should make Security Cameras were Criminals and gangs can't find them.

I like this plan because more criminals can be caught and also gang members too.

Also it will make our city a better Place because it will be peaceful nice and calm. Because with out gangs and Criminals our city will have no problems.

Also there will be no more Killing because some weeks ago, Gangs Killed a little boy. Gangs kill people every week. My neighborhood is not safe.

Sincerely,
