Dear Mayor Daley,  
Let me tell you  
how we can  
make Chicago a  
better and cleaner  
city.

We can recycle  
so our city  
can be a cleaner  
city.

We can make  
Chicago a better  
place by taking  
away all the  
gun stores and  
by stopping people  
from taking drugs.  
Drugs are not  
good for your  
body.

Sincerely,
