Dear Mayor Daley Seward

I want to make the Prices lower and we cannot wast all the money. Put more Cameras around so that more Criminals can be caught. They can make our city a better Place by only having the good People who work hard.

Let me explain about Stopping from Selling Drugs. Mayor Daley Please help us these People because they are killing Children. So, Please help us Shut clown Drugs.

Another thing is that every school should be a magnet school so more schools could have more Programs.

Sincerely 510
