Dear Mayor Daley,

My name is [redacted]
And I'm writing this because
I would like to talk to
you about something that goes
on in every community. As
you already know there is
many different gangs in Chicago.
Just like the one where I
live in. And I'm asking to try
as hard as you can to change
my community for the better.

There is a lot of violence
related to gangs. So I'm
asking you and the police to
make the city a better place
for us, the kids. I speak for
my community that we would
really appreciate if you would
make us feel safer like you
could make it illegal.

Sincerely,
[redacted]
