

Dear Mayor Daley,

my name is [redacted]  
[redacted] I go to Sherwood  
School.

If I could change something  
it would be the color of school.  
I think the kids should be  
able to color the school the way  
they want to. We should have  
lots of big bathrooms with a lot  
of sinks and toilets for everyone.

Thank You  
[redacted]
