

Show Parts of the City

CCSSR2—support important ideas with examples; CCSSR7—integrate ideas and information from different sources.

What are three important parts of Chicago? First, make a list of the parts you think are important. Then choose three that you think are most important. Draw a picture of each one. Then write a caption for each picture. A caption tells what the picture shows.

Write What You Think

Write to tell what you think is important for people to know about these three parts of Chicago.
