

Show a Theme in a Drawing

CCSSW3: Write narratives to develop real or imagined experiences or events using effective technique, well-chosen details, and well-structured event sequences.

What is the theme you want people to understand?

Plan a picture that will show that theme.

What I'll put in my picture to show the theme.

Sketch your drawing here in pencil.

Plan the colors you will use. They should help people understand your theme.

Colors: _____

Then draw your picture—use crayons, pencils, or paint.
