Dear Mr. Mayor,

Hi my name is .I
am in third grade. I am 9 years
old. I go to Solomon Elementary
School. I have a big idea.

I want to make a program to
help the poor people. They are
sleeping on the streets and starving
because they have no food or
money. My plan is to help them

with fresh food, let them take showers, find them places to live and give them clothes or wash their clothes.

Please Mr. Mayor, put my idea into action because if we do not do anything they might die and the population of poor people will grow. Also I feel bad for them. Plus other people have the same topic as me. (If you did not know that.) So it must

be important.

Sincerely,
