

Dear Major Daley,

I want to make Chicago a better place by adding a new exhibit in Lincoln Park Zoo. It would be a Panda exhibit with Pandas from China. It would help Chicago because children would learn more about endangered species. Major Daley if this change is made there will be more jobs and Chicago will be a fun city. You could hire more zoo keepers.

To build the exhibit it will cost money and take time. You could get money from the World Wild Life Fund. Many people would help build the exhibit.

Thank You,
