

Dear Mayor, Dale V.

MV name is

I'm in 3rd grade
at Stowe Elementary School.
I think that there should be
a free water park in every
street. I think that this is
a good idea because instead
of wasting your money at water
parks and stuff every body could
go there for free. And then
every body could have fun. But
this will need some time and
money to built.

And I think that there should
not be any more drugs or
weapons in store. Because if
a kid ever touches or uses
a weapon he might hurt
himself or someone else.
Then they might die and they'll
sue the company. This will
make Chicago a better
place because then less
people would get hurt, and
there will be less violence
and less gangsters. The city
will need to shut down drugs.
And weapons should be banned
too. Sincerely,
