Dear Mayor Daley,

My name is [redacted]

and I am a 3 grade student
at Stowe elementary school.

I want water parks in every
neighborhood because
they might get bored. The

mayor will hire some people
to build it. So everybody

can have fun. And they need
space to build it if they don't

0
have space they can't build
it. Chicago will be a better

place because after when
they are finished building it

everybody will have fun.

And it will bring the community
together. People will go

to the pool instead of
being out on the streets.

It will be safer for everyone.

Sincerely
[redacted]
