

Dear Mayor Daley

My name is _____ and I am a 3 grade
student at Stone Elementary School. My big
idea is to stop violence.

The reasons why I said stop violence
is because a little boy got shot and then
they burned him.

stop shooting stop fighting

The city will need to stop buying
weapons for violence it is dangerous
and also hiring policemen.

Chicago will be a better place because
you should hire more police men on every
corner or if not on every corner then in
every alley. This will make our area
a safe place for everyone.

Sincerely,
