

USE PQROST TO EXPLORE A MUSEUM

P: Preview the exhibit—what’s there?

Q: Ask a BIG question about the exhibit—a question you can answer by “reading” it.

R: Read the exhibit—the objects, the labels.

Collect information to answer your question.

- _____
- _____
- _____
- _____
- _____

O: Make a graphic organizer that shows your answer. It could be a chart, could be a diagram, time-line, map.

S: Summarize/synthesize

T: Tell
Share what you learned.
