Daniel Webster

Dear Mayor Daley,

My group and I had an idea that we want you to hear. Our idea was to replace all the vacant lots with parks. We think this is a good idea because in most communities you mainly see vacant lots but no parks. If we replace them with parks kids will be able to play. This will help Chicago IL because most people get into fights because they have no place to go. This will cost a lot of money but it is a great idea and it can help the community.

Your truly, **This is**
how Chicago
can look
