

Dear Mayor Daley,

I am writing this letter to you because you have drug addicts in Chicago. That is really bad because some addicts can't get off the street because they can't stop smoking. It's not just the drug addicts it's the drug dealers so it's not the drug addicts fault. It's the drug dealers fault for giving them the drugs so the drug dealers need to go to jail. The drug addicts need to be with their family so the family can fix the drug addicts up. So Mayor Daley, you need to fix Chicago by getting the drug addicts off the street and take the dealers to jail. If you don't Chicago will not be a great place anymore. So kids will be poor and get on drugs and they will

be poor and get on drugs  
and they will never be able  
to go to school. so listen to this  
advice to make Chicago a better  
place.

TRULY YOURS,
