

Write More → Think More → Learn More

There is clear evidence that activities involving writing (any of the many sorts of writing) lead to better learning than activities involving reading and studying only. To improve the teaching of writing is also to improve the quality of thinking required of students....

[How Writing Shapes Thinking](#)

Research has established a powerful relationship between the opportunity to write and the ability to read.

Learning logs help students reflect what they have learned. The goal is not to repeat what the book or teacher said. Rather, the student is expected to connect new material with previously learned material.
