

## Thinking Questions and Activities to Guide Good Reading

**When you read a story...**

**Think as you read:**

*Who is in the story?*

*What are they like?*

*What is happening?*

*Why?*

*What do you think happens next?*

*Why do you think so?*

**After you read a story...**

**Think More**

*What did you like about it?*

*Why?*

*What happened first?*

*What happened next?*

*Was there a problem?*

*What was it?*

*How did people solve it?*

*How did the story end?*

*Why did it end that way?*

**Do More:**

*Draw pictures to show the people in the story.*

*Draw cartoons to tell what happened.*

*Tell the next part—what do you think would be the next part?*
