

## BOLD PLANS Letter to the Mayor

I can write a persuasive text.

**What's my big idea? What do I want the mayor to understand?**

---

---

**How will I start my letter?**

---

---

**What will I include to make my idea clear?**

*(You can use the boxes to number the order in which you will use each part.)*

---

---

---

---

---

**How will I end so I am sure I made my idea clear?**
