Word Builder: Community Places

I can identify and use adjectives.

Each of these words is a noun. It names a place in the community.
Make a word list that tells about each place.
Those words are adjectives. They are words that tell about what something looks like, feels like, or sounds like.
Draw a picture in the box for each noun, too.

**WORD: neighborhood**
adjectives________________________________________

**WORD: street**
adjectives________________________________________

**WORD: school**
adjectives________________________________________

**WORD: store**
adjectives________________________________________

**WORD: park**
adjectives________________________________________

**WORD: ________________________**
adjectives________________________________________

**Write What You Think:**
Write a paragraph about your community.
Use words from your own word lists in it.
