

# Word Builder: Community Places

I can identify and use adjectives.

Each of these words is a noun. It names a place in the community.

Make a word list that tells about each place.

Those words are adjectives. They are words that tell about what something looks like, feels like, or sounds like.

Draw a picture in the box for each noun, too.

**Write What You Think:**

Write a paragraph about your community.

Use words from your own word lists in it.
