

Read to Educate

I can identify and analyze factors that affect fluency. (4A)

Choose a book or part of a book to share.

Make a list of the parts you want to emphasize.

Make a list of any words you need to practice reading fluently.

Read through it by yourself. Then read it with a partner. Ask your partner:

How fluent was my reading?

What did you learn from what I read to you?

Meet the standard:
Check your work—is it
✓ complete?
✓ correct?
✓ clear?

*Exceed the Standard:
Write what you learned by
doing this project.*
