

## Community Concerns:

Look in today's newspaper for examples of:  
community problems and plans for dealing with them

Examine those plans to see if the planners have included ways to deal with more than one problem in their plans.

## Projects

### *Skill: Presenting an Idea Visually*

Choose one problem that you are concerned about and draw an editorial cartoon about it. In your cartoon, show what caused the problem.

### *Skills: Critical Thinking and Making a Flow Chart*

Then plan a solution to that problem. Make a "flow chart" of the steps to accomplishing that solution. A flow chart is a diagram showing the parts of a situation and the path of action.

### Skill: Persuasive Writing

Write a Letter to the Editor of the newspaper explaining your recommendation to solve this problem.
