

Leader

Traits motives cause-effect relationships

Choose a leader. Read about the leader. Complete this chart as you read.

Traits of the person	
Important action by that person	
Motivation for that action	
Effects of that action--- identify <u>two</u> direct effects	1. 2.

Make up multiple choice questions based on your chart.

Note: this chart can be adapted to teach or assess fiction and non-fiction texts. It can be used to organize what students read in the newspaper. It even can be used to figure out a tv show.
