

Citizen of the School

A Rubric for School Citizenship

To help students understand a rubric and also to establish standards and goals for contributing to the progress of the school, involve students in identifying three levels of school citizenship.

EXEMPLARY: TAKES LEADERSHIP IN SCHOOL-WIDE PROGRESS
EXCELLENT: CONTRIBUTES TO SCHOOL PROGRESS
ESSENTIAL: SUPPORTS SCHOOL STRUCTURES

- Students can set standards for each level.
- The class can assess the classroom's performance in terms of these standards and goals on an ongoing basis.
