

## I Can Sequence Actions and Explain Cause-Effect Relations

CCSSR1—read carefully. CCSSR3—analyze events and causes and effects.

There are four boxes on this page.

Use them to tell the **sequence of events** in a story or real situation. You can draw cartoons or write to tell about what happened.

Tell about **a choice someone made**. Tell what that choice led to—an effect it had..

On another piece of paper, write about the event.

What choice did someone make? Why did the person make the choice?

What happened because of that choice?
