

My Plan to Communicate A Theme or Idea through Art

CCSS Writing Standards—Choose the one you'll parallel with your art.

1. Write **arguments** to support claims in an analysis of substantive topics or texts using valid reasoning and relevant and sufficient evidence.
2. Write **informative/explanatory** texts to examine and convey complex ideas and information clearly and accurately through the effective selection, organization, and analysis of content.
3. Write **narratives** to develop real or imagined experiences or events using effective technique, well-chosen details, and well-structured event sequences.

What is the main idea or theme I want people to understand?

What details will I include so they see what I mean?
