

Museum Learner

Use this guide to learn about ideas at the museum.

Find an object, exhibit case or painting you like.

What do you see?

List or draw six things you see.

What do you think the person who made it wants you to understand? What is the idea or theme that person wants to communicate?

Why do you think that?

Museum Learner

Use this guide to learn about ideas at the museum.

Find another object, exhibit case or painting you like.

What do you see?

List or draw six things you see.

What do you think the person who made it wants you to understand? What is the idea or theme that person wants to communicate?

Why do you think that?

List or draw six things you see.

What do you think the person who made it wants you to understand? What is the idea or theme that person wants to communicate?

Why do you think that?

Museum Thinker

Now that you have looked closely at three different parts of the museum, what do you think about these questions:

How do you think the museum wants you to feel about its subject?

How do you think a museum chooses what to put in an exhibit?

What would you put into an exhibit about your community? List or draw what you would include.
