

Map Chicago History

I can organize information to explain a topic (LS5A1a).

What are the important parts of the histories of DuSable and Burnham?

Choose either Burnham or DuSable. Draw a picture that shows a place, a person and an event from his time. Write a caption for each picture. A caption tells what is happening in the picture.

Write A Summary

Use your pictures to help you write a summary. A summary tells the main events that happened.

The person I picked was DuSable. DuSable built a Trading Post. In the trading post they traded Food, and Animal Fur. And After the trading post a lot of people came to Chicago.
