

k plus

The letter k is a symbol for the weight of gold, and gold is something people value. It also is the symbol for valuable knowledge.

List your "top ten" new k.

This is not a ranking. It's an inventory of important learning, so each line is important.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

❖ Choose one of your top ten to explain.

Write about it so clearly that another student could learn it from your explanation.

Follow these steps

1. State the topic clearly.
2. List important vocabulary and explain what those words mean in your own words.
3. Think of examples that will make the topic clear.
4. Write to explain the topic. Include the examples.

Make it interesting. You could write about it as if you were part of the situation. For example, for math you could write from the point of view of an unknown Quantity in algebra and explain your mystery. Or in history you could write from the point of view of someone who was part of those events.
