Word Builder: Learning
CCSSR4—expand academic vocabulary.

1. Talk about these words one at a time. Talk about what each one means.
2. Then write or draw about each word. Tell how you learn.

**school**
What kinds of things I learn at school:
___________________________________________________________________

**book**
What kinds of thing I learn from books:
___________________________________________________________________

**museum**
museums in Chicago:
What kinds of things I learn at museums:
___________________________________________________________________

**zoo**
What kinds of things I learn at the zoo:
___________________________________________________________________

**library**
What kinds of things I learn at the library:
___________________________________________________________________

On the back of this page, write a story about learning.
Tell how and where you learned something this week.
