I can identify and classify sequence.
CCSSR 1. Read carefully/closely to CCSSR3---sequence events in a story (plot).

Tell about a story or a history.

❖ What happened first?

_________________________________________________________________

❖ Put the next events in order.

_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________
_________________________________________________________________

❖ How did it end?

_________________________________________________________________
