Persuasive Poem Builder
CCSSW1—“argumentative” writing—I can write a persuasive/inspiring poem.

Choose something important that you care about that you want to change.

I want this important change:

_________________________________________________________________________

List some reasons why this is a good change.

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

List some words that will make people feel this is an important change.

<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Write a persuasive poem.
Include your reasons.
Include those words.
