Explanatory Writer

ILS 3B: I can organize a paragraph or essay with a main idea and supporting information

Use this to organize a paragraph or an essay.

What will you explain?

The public schools in the mid 1800s

How will you start?

I will start by explaining how the public schools improved in the mid 1800s

List or draw what you will tell.

- An all girls school was built but then burned down
- Horace Mann had the education reform
- Some African Americans attended private colleges.
- Free African American educators opened their own school

How will you end?

I predict that public schools will keep improving and soon they will have different races going to the same school.
