

## Change Leads to Change

*Common Core Anchor Reading Standard 1. Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text. To organize this activity for different grades, adjust standard—informational/nonfiction reading standard 1 for your grade level.*

### Technology is applied physics.

Choose a change in technology you think is important.

What changes would it lead to--what effects would it cause, such as:

- kinds of jobs increased
- kinds of jobs decreased
- any effects on the natural environment
