

## CONTENT Vocabulary

Expand academic vocabulary! (CCSSR4)

Here are some words that you can use to think about \_\_\_\_\_.

*Draw a picture that shows one of these words.*

Give your picture to another student.  
Ask them to tell which word you pictured.  
If they need help, tell them which column your word is in.

---

Then WITH them, write a sentence using your word.

---

### **Think More!**

Make a category chart in which you classify the words—sort them into categories.  
Add more words!  
Write with your words to explain the categories with examples.
