Chicago History Unit - Week 2 Assessment

This week we have explored the history of Native American people in Chicago. Today, you will share what ideas you have learned about the Native American experience in Chicago.

PART I - ORGANIZE

Complete a cause and effect chain that shows the challenges Native Americans faced (cause) and the choices they made (effect) as a result

PART II - DRAW

Draw two pictures to show how Native Americans survived during summer and winter months. Add a caption to describe each picture.

SUMMER	WINTER

PART III - WRITE

Imagine that YOU are a Native American child in the early 1800's when explorers and soldiers are settling on the land you and your family have worked and lived on for many years. What challenges are you facing? What choices do you have? What are the effects of the settlers and soldiers actions?

Write a letter to a soldier explaining your perspective with strong details.
