

# CULTURAL INSIGHTS/ CULTURES IN SIGHT

Use at Field Museum or Chicago Historical Society

A museum exhibit is an opportunity to see what is important in a culture.  
Choose three objects that are related to each other.  
Make notes about each one.

OBJECT	USE	HOW IT IS RELATED TO THE OTHER OBJECTS

## Insights:

What values of this culture do you see from these objects?

How are those values relevant to your own culture?

## Quest:

On the back of this page, make a list of topics or questions to continue your own learning about this culture.
