

**Expository Paragraph Organizer: Profile a Person's Character Trait**

ILS3B: I can write a paragraph to describe a person's character traits.

An expository writer uses words to explain or describe something.

Use this page to organize an expository paragraph.

Your paragraph will tell about a person. It can be a real person. It can be a person in a story.

*Who is the person you will describe?* \_\_\_\_\_

*What is the most important character trait of that person?*

\_\_\_\_\_

*List information you will include in your paragraph to help people understand that trait.  
List facts about the person that show that trait.*

*How will you start your paragraph?*

My first sentence will tell \_\_\_\_\_

*How will you end your paragraph?*

My last sentence will tell \_\_\_\_\_

*Write your paragraph on another page.*

**THINK MORE:**

*Draw a picture of the person.*

*Show the important character trait by what you put in the picture.*
