

Assess with Charts: Compare and Contrast

CCSSR7 I can locate, classify, compare and contrast past and present.

Teacher: You can use this chart as an activity or assessment of student learning about any history, at the museum or in a book or other source.

When and Where: _____

Use words and/or drawings to show the past and present.

Then and There	Here and Now
How people traveled	How people travel
What work people did	What work people do
What was important to people	What is important to people

Write What Your Think:

Was that time and place more like or more different from today?
