

Mood-Reader

Artists use techniques to give their paintings a mood. They use color. They use shades of colors. They use lines. They use details.

Look closely at the painting. Infer what you think the mood is. Then tell what the artist did to show that mood.

Painting: _____

My Inference—I think the mood is _____

List things the artist did to help show that mood in the painting.

What the Artist Did	How It Helps Show that Mood
