

Prose Constructed Response Organizer: NONFICTION

CCSSR2. Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas. CCSSR5: identify writer's techniques.

How does the writer support the central idea?

What is the central idea?

List information that supports it.

Put a number in the first box on each row to tell the order in which you will include that information in your response.

What techniques does the writer use to tell the reader what is important?

headings boldface words quotations diagram
