Election 2012: Analyze   → Evaluate   → Communicate   →	Evaluate Communicate
---	----------------------

## **Election News Log**

Make a news log. Use this time-line to keep track of events you read about in the Chicago Tribune. Predict how each event will affect voters in Illinois. We included space for ten events. You can expand this time-line by using another piece of paper.

Date	Event	How you predict it will affect Illinois voters' choice for President
