

Word Bank: Earth Science

Here are some of the terms students need to know about earth science.

Choose the words that your class will learn.

Add more words, too.

Your students can make the same bilingual chart for any topic.

| The Earth | Building Blocks | Landforms | Technology | Careers |
|---|------------------------------------|---|---|--------------------------------------|
| bedrock = <i>fundamento</i> | clay soil = <i>barro de tierra</i> | crater = <i>cráter</i> | fossil fuel = <i>combustible fósil</i> | geologist = <i>geólogo</i> |
| continental drift = <i>terreno de acarreo continental</i> | cement = <i>cemento</i> | elevation = <i>elevación</i> | Geiger counter = <i>contador Geiger</i> | paleontologist = <i>paleontólogo</i> |
| continental shelf = <i>plataforma continental</i> | clay = <i>barro</i> | fault = <i>falla</i> | geological map = <i>mapa geológico</i> | seismologist = <i>sismólogo</i> |
| crust = <i>cubierta</i> | coal = <i>carbón</i> | mountains = <i>montañas</i> | geologic scale = <i>escala geológica</i> | surveyor = <i>topógrafo</i> |
| core = <i>núcleo</i> | diamond = <i>diamante</i> | glacier = <i>glaciar</i> | geothermal energy = <i>energía geotérmica</i> | engineer = <i>ingeniero</i> |
| earthquake = <i>terremoto</i> | feldspar = <i>feldespato</i> | landfills = <i>tierras rehabilitadas</i> | petroleum = <i>petróleo</i> | |
| erosion = <i>erosión</i> | granite = <i>granito</i> | plateau = <i>meseta</i> | seismograph = <i>sismógrafo</i> | |
| lava = <i>lava</i> | graphite = <i>grafito</i> | topographic map = <i>mapa topográfico</i> | strip mining = <i>explotación de mina</i> | |
| magma = <i>magma</i> | lead = <i>plomo</i> | valley = <i>valle</i> | | |
| mantle = <i>manto</i> | limestone = <i>piedra caliza</i> | volcano = <i>volcán</i> | | |
| molten = <i>derretido</i> | mineral = <i>mineral</i> | | | |
| top soil = <i>capa superior</i> | marble = <i>mármol</i> | | | |
| plate tectonics = <i>placas tectónicas</i> | metal = <i>metal</i> | | | |
| soil = <i>tierra</i> | pumice = <i>piedra pómez</i> | | | |
| sediment = <i>sedimento</i> | quartz = <i>cuarzo</i> | | | |
| | sand = <i>arena</i> | | | |
| | sandstone = <i>piedra de arena</i> | | | |
