

Assess with Charts: Compare and Contrast History

Common Core Anchor Reading Standard 3. Analyze how and why individuals, events, and ideas develop and interact over the course of a text.

Teacher: You can use this chart as an activity or assessment of student learning about any history, at the museum or in a book or other source.

When and Where: _____

Use words and/or drawings to show the past and present.

| Then and There | Here and Now |
|------------------------------|-----------------------------|
| How people traveled | How people travel |
| What work people did | What work people do |
| What was important to people | What is important to people |

Write What You Think:

Was that time and place more like or more different from today?
