

CHICAGO 2020

Plan for progress for the next century.

- Identify three Chicago challenges--obstacles that limit progress of individuals, families, communities, the city.
- Then make choices for changes.

Your solution must meet these criteria:

- ✓ involve many people in making this progress
- ✓ lead to more progress
- ✓ re-connect people who currently are not linked in their community or linked to the city

CHALLENGE

YOUR CHOICE: HOW TO CHANGE CHICAGO

CHALLENGE	YOUR CHOICE: HOW TO CHANGE CHICAGO

Write an editorial about that change.

Send your editorial to the newspaper's editorial section.
