

City Activities

A Place Contains Locations/ Parts

Skim the newspaper to find information about activities in the following kinds of places. Complete the chart with the information you find.

WHERE	WHO	(DOES)	WHAT	WHY
A business				
A sports place				
A neighborhood				
A place people learn				
A place people live				
Another kind of place:				

How many of your places are in Chicago?

Choose one of the places in the news where something has happened that is not in Chicago. Would you find that same kind of place in Chicago? If not, why not? If so, what could happen to make it part of the news tomorrow?
