

Citizen of the Classroom

A Rubric for Classroom Citizenship

To help students understand a rubric and also to establish standards and goals for classroom behavior, involve students in identifying three levels of classroom citizenship.

EXEMPLARY

EXCELLENT

ESSENTIAL

- Students can set up positive behavior rules based on these values.
- Students can present these rules and the levels of their rubric in words and in pictures.
- Each student can assess his or her citizenship in terms of these standards on a daily, weekly, and quarterly basis.
